FOR SOCIAL RESPONSIBILITY

Our teachers have over 25 years of teaching and performance experience, especially with kids!

All of our instructors have gone through a multi-step background check. Our student's safety is our number one priority.

We guarantee event performances at YMCA events such as

Participation in community events such as
Corona-Norco Day of the Child
And many more.

Students will also participate in our showcase week. This is an opportunity where parents, family members and friends are able to see the students progress. Our showcase week takes place at the end of each session at the Y Music School Band room
